Director's Notes

Even though it's been a busy and fun summer with lots of great things happening, I think we're all ready for things to slow down a bit as we move into fall. Here are some highlights from the last several months:

With all the spring rain, our summer lawn maintenance work got off to a slow start, but staff and participants have been working hard to make sure all of our lawn maintenance contract sites look great.

Headwaters' participants had opportunity to participate in a number of fun activities throughout the summer including a river cruise, visiting a wildlife park, fishing on boom lake, and enjoying the outdoors in general. We also supported a group of folks to visit the Green Bay Packer Hall of Fame, Lambeau Field and take in a Packer practice session.

We're also excited about Project Search starting this month. We're partnering with area high schools, the Division of Vocational Rehabilitation, and Howard Young Medical Center in Woodruff for this employment training program for high school youth with disabilities.

Finally, we're thankful to be almost through the transition to Family Care funding for the majority of the long-term care services we provide. Most of the funding for the individuals we provide services to transitioned during the months of July and August.

Anniversaries

July

Terri M—21 yrs
Matt A—3yrs

August

Jenny F—4 yrs
Jana S—1 yr
Angel D—1 yr
Deb W—11 yrs

September

Joanne B—1yr
Jayme B—1yr
Cory D—15 yrs
Tammy D—1yr
Kris S—11 yrs

Upcoming Closures

11/23—Thanksgiving
11/24—Day after Thanksgiving
12/25—Christmas
12/26—Day after Christmas

**HEADWATERS FOUNDATION
32nd ANNUAL GOLF TOURNAMENT WINNERS**

The Headwaters Foundation 32nd Annual Charity Golf Tournament was held on Saturday, August 12th at the Rhinelander Country Club. There were 56 people who enjoyed a beautiful day of golf. This year's tournament raised funds to support the expansion of new programs within Headwaters, Inc. The development of these programs would not be possible without the support of the Headwaters Foundation.

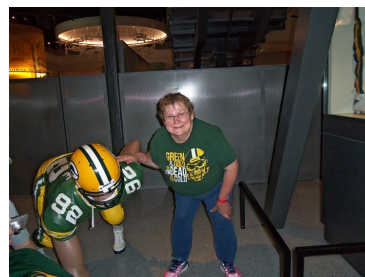

CHAMPIONSHIP FLIGHT

WINNERS: B. Kenealy, D. Labodda, J. Bloch, and J. Spiegelhoff.

Fun Excursions

We had a group of 16 people head to Green Bay on August 23th, 2017 to tour Lambeau Field, the Packers Hall of Fame, and watch the Packers practice.

Butterflies

On August 29th, a group was able to go out to Nicolet College to watch the release of over 400 Monarch butterflies. Some took pictures, some were interviewed by WJFW News, and all had a good time!

Oscar Meyer Wienermobile

September 9th brought a trip to Nelson's Food Mart in Tomahawk to see the Oscar Meyer Wienermobile. Participants on the trip enjoyed a hot dog snack, played bean bag toss, and took a picture in front of the Wienermobile.

October is Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease. Breast cancer is the second most common kind of cancer in women. About 1 in 8 women born today in the United States will get breast cancer at some point.

The good news is that many women can survive breast cancer if it's found and treated early. A mammogram – the screening test for breast cancer – can help find breast cancer early when it's easier to treat.

National Breast Cancer Awareness Month is a chance to raise awareness about the importance of early detection of breast cancer. Make a difference! Consider joining a walk for the cure. Spread the word about mammograms and encourage communities, organizations, families, and individuals to get involved.
